REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: claims 1-5 are now allowed over the prior art of record because all of references in the record, viewed as closest prior art and considered alone or in combination, fails to suggest or fairly teach a recording medium including a combination of: a data area, a primary spare area, a supplementary spare area, and the allocation of the supplementary spare area as specifically recited in claim 1, lines 2-10.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

CITED REFERENCES

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The cited reference relates to a recording medium having a data area, a primary spare area and a supplementary spare area provided thereon.

Response to Arguments

3. Applicant's arguments filed 07/14/06 with respect to a newly amended claim 1 have been fully considered and are persuasive. All of the rejections applied to claims 1 and 2 in the last Office action are withdrawn due to the newly amended claim 1. Claims 1-2 and newly added claims 3-5 are now allowed over the prior art of record for the reasons given above.
